**The Robotics Society**

In the last few years robotics activities in India has moved well beyond the traditional areas of industrial applications, atomic energy, etc. and entered newer domains of education, rehabilitation, entertainment, and even into our homes. Indian robotics researchers have similarly grown from a handful to over a hundred engaged in research labs, education, industry, atomic energy, etc. Many of us feel that it is about time to form an academic society to further augment our robotics activities and for better interaction among ourselves. With this objective, researchers got together to form a society on 10th July 2011. Officially, The Robotics Society was registered on June 21, 2017.

**Student Chapter**

The Robotics Society (TRS), India empowers technical institutions in India to start authorized TRS Student Chapters and to organize and mentor activities related to Robotic Science in the respective institutes. This student chapter shall care for mentoring the interested students via student's networking and also for promoting knowledge sharing activities in the area of Robotics. The following guidelines to be followed for formation of student chapters and organizing events.

**Faculty Incharge :** Sri T Pramod Kumar Asst Professor Mechanical Engineering

**Mentor**: Dr CH R Vikram Kumar Professor Mechanical Engineering

Dear Prof. CH R. Vikram Kumar,

Thank you for applying for membership of TRS student chapter formation at N.B.K.R. Institute of Science & Technology, Vidyanagar.

Based on your application for TRS student chapter, we are happy to convey the approval of The Robotics Society for the formation of TRS student chapter at N.B.K.R. Institute of Science & Technology, Vidyanagar.

The registration number of the chapter is: **TRS-SC/19/002.**

Please ensure that all the activities of TRS SC are within the guidelines already communicated to you. We do look forward to your active participation in all our activities to make this society both vibrant and dynamic.

With best regards.

(**Prof. T. Asokan**)
Secretary
